# Memorial's Mobile Health Coach

**All women should have one screening mammogram between the ages of 35 and 40. After age 40, a screening mammogram is recommended every year.**

*If you meet these age guidelines and have not had a mammogram in the last 12 months, you may participate, with or without insurance.*

- If you have any breast abnormalities, even a small change or concern, call your doctor, who may order a diagnostic mammogram. We only do screening mammograms on the mobile unit.
- For those with insurance, we will file your insurance for you, but you must furnish your insurance card and a photo ID such as your driver's license.
- You need to know your doctor's first and last name. We must have a doctor's name to send your report.
