FOR IMMEDIATE RELEASE

August 22, 2011

Dr. Krish Bhadra joins Memorial Health Partners

Chattanooga, TN – Memorial Health Care System would like to announce that Dr. Krish Bhadra is a new interventional pulmonologist with Memorial Health Partners.

As an interventional pulmonologist, Dr. Bhadra focuses on the use of advanced diagnostic and therapeutic techniques to treat patients with lung cancer, benign airway disorders and pleural diseases.

Dr. Bhadra is board certified in Internal Medicine and is a fellow of Interventional Pulmonology from Hospital of the University of Pennsylvania and a fellow of Pulmonology and Critical Care from the University of Vermont College of Medicine.

He attended medical school at the Miller School of Medicine at the University of Miami and completed his residency in Internal medicine at the University of Vermont College of Medicine.

Memorial Health Partners is a coalition of more than 140 physicians at 42 convenient locations throughout Southeast Tennessee and North Georgia. Memorial Health Partners is the area's largest physician group.

Dr. Bahdra joins Dr. C. Hugh Everhart, Dr. John Forman, Dr. Catherine Martinez, Dr. Nathan Mull IV and Dr. Carlos Baleeiro at the Pulmonary Medical Center of Chattanooga, 605 Glenwood Drive, Suite 303. For more information, call (423) 495-2635.

Memorial Health Care System is a not-for-profit, faith-based healthcare organization dedicated to the healing ministry of the Church. Founded by the Sisters of Charity of Nazareth and strengthened as part of Catholic Health Initiatives, it offers a continuum of care including preventative, primary and acute hospital care, as well as cancer and cardiac care, orthopedic and rehabilitation services. Memorial is a regional referral center of choice with 4,000 associates and more than 700 affiliated physicians providing health care throughout Southeast Tennessee and North Georgia. Memorial Health Care System is recognized as one of the nation's 100 Top Hospitals® by Thomson Reuters, the health care industry's leading source of information on hospital quality.
