## MAKING HISTORY

More than sixty years ago, a group of Chattanoogaans were concerned enough about the availability of health care to believe they should build a new hospital. Should become could as they united behind this cause and opened the doors of Memorial Hospital, the area's only faith-based hospital on January 2, 1952.

That Chattanooga can-do spirit lives on with contributions to the Memorial Health Care System Foundation. In past years, community support has helped secure cutting-edge technology, extended services and health education to those in need, and positively impacted the health and well-being of thousands.

## SUPPORTING INSPIRED MEDICINE

You can be a part of that great history by helping us continue providing the compassion, care, and integrity that have become synonymous with Memorial Hospital. Your support makes a difference in the lives of others. Memorial remains the area's only not-for-profit, faith-based healthcare system. Gifts like yours enable us to provide care for the underserved, seek innovative solutions to complex health problems and make state-of-the-art technology available to patients throughout our region.

**FRIENDS OF MEMORIAL** is a recognition program for donors who support the needs of Memorial with an annual gift between \$100 and \$3,333.
