CHIP Memorial Hospital Chattanooga Earns Honors as the Top Nurse Employer in Tennessee

CHI Memorial Hospital Chattanooga has been recognized by Nurse.org as the number one hospital for nurses to work for in Tennessee. During the past two years, Nurse.org collected 1,198 reviews by nurses at 100 Tennessee hospitals about their workplace satisfaction. The data from the reviews from Tennessee reveal CHI Memorial Hospital Chattanooga has one of the highest levels of job satisfaction among its nurses. Reviewers cited great staff, great teamwork, and opportunities for advanced education as the basis for the 4.2 star (out of 5 stars) rating with 100% of the nurses surveyed recommending the hospital as an employer. Nurse.org provides a safe platform on which nurses leave honest workplace reviews. Completely anonymous, nurses share their opinions about culture, nurse-to-patient ratios, and other matters important to them.

Making the list of top hospitals shows the facility is focused on nurse satisfaction. Nurse recruitment—a challenge today—becomes easier when the hospital can demonstrate its commitment to nurses by pointing to an unbiased source.

CHI Memorial Expands Its Footprint

On December 29, 2017, CHI Memorial acquired Cornerstone Medical Center in Fort Oglethorpe and has acquired the former Hutcheson on the Parkway in Ringgold, Georgia. CHI Memorial will provide services at the newly named CHI Memorial Hospital - Georgia and CHI Memorial - Parkway.

On Tuesday, February 6, 2018 CHI Memorial associates, board members, volunteers, leaders, members of the clergy and others gathered for the blessing and dedication of CHI Memorial Hospital - Georgia. The Most Revered Wilton D. Gregory, S.L.D., Metropolitan Archbishop of Atlanta, officiated the ceremony.

CHI Memorial is expanding services at the Atrium Medical Center in East Brainerd. The target completion date is set for October 2018. CHI Memorial healthcare professionals located at Atrium Medical Center include The Chattanooga Heart Institute, the MaryEllen Locher Breast Center, CHI Memorial Primary Care Associates, CHI Memorial Convenient Care, CHI Memorial Pediatric Diagnostic Associates, CHI Memorial Regional Sleep Center, Imaging Services, and the corporate offices of CHI Memorial Health at Home and Memorial Health Services, in addition to other partners.
Kramers Fund Tomosynthesis 3D Mammography at CHI Memorial

Thanks to the generosity of Rich and Barbara Kramer to CHI Memorial Foundation, the MaryEllen Locher Breast Center at CHI Memorial Hospital Chattanooga was able to purchase an additional tomosynthesis 3D unit allowing more women the benefit of this technology. Different from traditional mammography, the tomosynthesis scan provides multiple low-dose images of the breast at different angles. The multiple images are combined to produce a series of one-millimeter thick slices that can be viewed as a single three dimensional reconstruction of the breast. This allows our radiologist a more complete picture of the breast, improved visibility, and increased ability to pinpoint the size, shape and location of abnormalities. It also improves cancer detection in women with dense breasts.

When we work together, we can accomplish great things beyond ourselves. Here we celebrate the accomplishments of the 2017-2018 giving season.
It has been an exciting year for the CHI Memorial Foundation thanks to the generous outpouring of support from our community!

This year your funds helped serve many different aspects of CHI Memorial—from ensuring our community has the latest in medical equipment such as 3D mammography, to bringing new technology including Breathe Easy Mobile lung screening coach to our region, providing screenings and health care to our community’s most vulnerable populations, and ensuring we have highly educated clinical staff by providing scholarships for advanced education and nursing degrees.

We are proud to announce almost $50M in contributions have been made since the Foundation was created in 2001, and more importantly 100% of every dollar has stayed here for the benefit of the people in this region. Through your generosity thousands upon thousands of our citizens have received the best healthcare available!

Every single contribution, large and small, is critical and we are grateful you trust us with your philanthropic gifts.

Best Wishes,

Pink! 2018 Gala Raises Record Breaking Funds for Breast Center

“A Night in Old Havana” was the theme of the 13th annual Pink! Gala chaired by Dr. Taylor and Tiffany Whaley and Dr. Tom and Susan Flanagan. Held on Saturday, January 28, 2018, the event broke records, netting $389,000 for the MaryEllen Locher Breast Centers at CHI Memorial. Through the past thirteen Pink! gala events, nearly $4 million dollars has been raised. All funds stay in our community directly benefiting patients.

Since the first MaryEllen Locher Breast Center opened 12 years ago, 3,500 women have been diagnosed with breast cancer. In 2016 alone, more than 27,500 mammograms were provided and 355 people were diagnosed with breast cancer at the center.

Proceeds from the 13th annual Pink! gala went toward the purchase of a tomosynthesis, or 3D mammogram machine for the newest location of the MEL Breast Center at The Atrium in East Brainerd. Special thanks to our presenting sponsor First Tennessee Bank and our more than 106 sponsors who made “A Night in Old Havana” such a tremendous success.

My nurse navigator was a cancer survivor who knew what I was going through. My surgeon was amazing - like a mother to me. So I had an overwhelming sense of peace and calm when undergoing treatment at The MaryEllen Locher Breast Center at Memorial.

- Amy McGowan

Danette Henry Memorial Golf Tournament

On Saturday, September 23, 2017, 100 golfers gathered at Chatata Valley Golf course in Cleveland, Tennessee to honor the memory of Danette Henry at the 10th Annual Danette Henry Memorial Golf Tournament. Danette’s surviving family organizes the tournament each year to raise awareness and support of ovarian cancer, a disease she fought for several years before she passed away in 2008.

Over its 10 year history this event has raised more than $200,000. All proceeds benefit a fund set up in Danette Henry’s name and this fund is used to support cancer patients at CHI Memorial.

Local Fundraisers Benefit CHI Memorial

- Every year the Fraternal Order of Eagles Ladies’ Auxiliary continues to provide valuable support, donating funds to advance patient care, including cardiac services and the Schmissrauter Center for Cancer Support. This year these dedicated women, with the motto of “service above self,” held a variety of events and raised more than $2,400 to benefit CHI Memorial.

- Paint Polk Pink, in Polk County, held an adult prom complete with a DJ and recycled prom dresses. The event was spearheaded by Kelley Morgan and raised $3,700 for the MaryEllen Locher Breast Center.

- Judy’s Nails partnered with local vendors in the Hamilton Place area with a full day of support from their customers including a walk from their shop to Starbucks and lunch for the participants. The mobile mammography coach was also on site providing services. Judy’s Nails proudly presented a check for $3,005 to benefit the MaryEllen Locher Breast Center.

- Boyd’s Speedway held a Pink Night raising $3,240 for the MaryEllen Locher Breast Center. Race attendees bid on auction items and Boyd’s owners made a donation on behalf of every attendee.

- American Jeep Club Project held a rally in Dalton to support the MaryEllen Locher Breast Center, raising $1,000. They also had the mobile coach in attendance and are already planning their 3rd annual event for 2018.
Cam Busch Endowed Arts for Health Lecture Series

CHI Memorial Foundation hosted the eighteenth annual Cam Busch Endowed Arts for Health Lectures Series on Thursday, March 8 at the Hunter Museum of American Arts. More than 100 guests were entertained by the multi-talented country singer-songwriter, visual artist, novelist, actress and humanitarian IMAJ, sharing her personal journey toward diversity and peace. CHI Memorial was one of the first community hospitals nationwide to offer arts programming to create healing environments, enhance mental and emotional recovery and provide soothing ambiance for patients, visitors, families, staff, volunteers and the medical community.

Mark Schmissrauter unveils Akhriev Artwork

Hosted by the Schmissrauter Center for Cancer Support and Arts in Healthcare Council at CHI Memorial, a large crowd of family and friends gathered on Wednesday, February 21 at CHI Memorial for the unveiling of a work by renowned artist Daud Akhriev, dedicated in memory of Mark Milam Schmissrauter, Jr. Mr. Akhriev is internationally sought after as an instructor for figure and landscape painting and for his monumental work. The painting contributes to the Arts in Medicine Program that is powered by CHI Memorial’s mission to nurture a healing environment. The Schmissrauter family has long had a strong connection to CHI Memorial Hospital through many years of service and their many gifts including the naming of the Schmissrauter Center for Cancer Support. This center offers free guidance and support services for those dealing with cancer.

Below: Several members of the Schmissrauter family attended the unveiling of the painting by David Akhriev. CHI Memorial and countless cancer patients have been blessed by the Schmissrauter Center for Cancer Support.
5K & Walk Benefits CHI Memorial’s Outreach Program

The 6th Annual Elizabeth’s Outrun Melanoma 5K & Walk took place on Saturday, May 12th. A large crowd enjoyed a beautiful day at Enterprise South Nature Park while raising funds to support CHI Memorial’s Elizabeth R. Smith Melanoma Outreach program. This program is focused on outreach and education to decrease the incidence of melanoma and diagnose it earlier through educational events, skin checks and partnerships with area dermatologists.

Some facts about Melanoma:

- Approximately 91,000 people will be diagnosed with this cancer in 2018 and 10% will die as a result.
- Melanoma rates have been rising for the past 30 years.
- The average age for those diagnosed is 63; however, it is one of the most common cancers in young adults.
- While the overall risk of getting melanoma is 2.6%, the likelihood varies when comparing ethnicities. For Whites, the chances are 1 in 38, for Hispanics, 1 in 172 and for Blacks, 1 in 1,000.

“Together, we out run melanoma.”

They took extra steps to care for me. I felt good about the technology and was confident I was getting the best treatment by the best people. I have awesome memories of the people in the radiation center. I was blessed.”

- Ron Baldwin,
4-time melanoma survivor

CHI Memorial Community Health Center Hixson provides primary medical care to the medically underserved populations in our community including those who are low-income or uninsured. Our health center offers a wide range of services for teens and adults regardless of their ability to pay. Managed by a team of nurse practitioners, a variety of services are offered including primary health care, physicals, social work support, screenings, lab and x-ray services, patient education as well as diagnosis and management of chronic diseases.

Thank you to the many donors who support the important work of CHI Memorial Community Health Center Hixson.

“I am very grateful for the support of the staff. I have no insurance, and I don’t know what I would do without the staff at CHI Memorial Community Health Center. They have assisted me with equipment, medical supplies to care for my amputation, financial support and are now working on helping me get a prosthesis.”

- William Odom, diabetic and amputee

Caring Spirit Program

Offering a hand to hold...giving a reassuring smile...going an extra step...sharing an encouraging word. Simple gestures of kindness mean the most to us. Patients, family members, and friends are often grateful for the difference caregivers make in their lives during their time here at CHI Memorial. As a gift of thanks, donations are made to the CHI Memorial Foundation and a note of appreciation is included. The Foundation is happy to present Caring Spirit Awards as a way to recognize our wonderful caregivers and commemorate the generosity of our donors. These donations are returned back to CHI Memorial to support services chosen by the donor.

“We were overwhelmed with their compassion and amazing bedside manners. Kudos for hiring amazing nurses for 200 South.”

“Jessica was our nurse the first three evenings we were here. We always looked forward to seeing her because of her friendliness and compassion. Thank you so much for making this stay so comfortable.”

“Jennifer was energetic, punctual and focused on her patients. She is an exceptional ambassador for her profession.”

Mobile Lung CT Coach Launches

CHI Memorial’s Breathe Easy mobile lung CT coach allows us to take low-dose CT lung screening out into our communities and reach people who may not have access or the opportunity to get this scan otherwise. Thanks to the generosity of two anonymous donors to CHI Memorial Foundation, this technology is the first of its kind in the Chattanooga region, and the only fully independent unit in the nation.

A low-dose computed tomography (CT) scan shows a 3-D image of the lungs that is clearer and more detailed than regular x-rays, allowing doctors to diagnose lung cancer at its earliest stage, before there are any symptoms. Lung cancer symptoms do not usually occur until the cancer is advanced, and may include persistent cough, sputum streaked with blood, chest pain, voice change, worsening shortness of breath, and recurrent pneumonia or bronchitis. Early detection is the single most important indicator of survival.

“With a family history of lung cancer, I felt it was important to take advantage of this critical screening tool. I appreciate the donors who made this available to me and others in the community.”

- Julie Brandao, CHI Memorial Foundation Board Member
MAGIC—Memorial Associates Giving to Improve our Community

Since its inception in 2003, CHI Memorial associates have given more than $2.5 million through contributions to MAGIC. The focus for the 2016-2018 MAGIC campaign centered around the theme of hospitality. CHI Memorial has a proud tradition of providing the highest level of patient care. We want to continue to provide not only a pleasant patient experience, but support for each other as well. Donations to this campaign were used for improved wayfinding, an employee emergency fund for associates, and a patient care fund to help meet necessary needs critical to care, such as personal care items.

Associates and their families celebrated the success of the MAGIC campaign with A Night at the Lookouts on July 28, 2017.

together, we care for each other.
CHI Memorial Auxiliary and Volunteer Services

For the period of July 1, 2017 through June 30, 2018, more than 453 volunteers donated a total of 56,379 hours of service, contributing from their wide range of expertise and considerable experience in 80 different areas of CHI Memorial.

In addition to giving of their time and talents, the CHI Memorial Auxiliary raises funds to enhance patient care, and throughout history has provided more than $2,000,000.00 of funding support.

The most recent pledges include:

- Assisting with funding a second interventional suite to provide further evaluation of patients screened for lung cancer
- Assisting in creating a new structural heart and valve center strengthening the team approach in providing excellence in cardiac services
- Providing support in our CHI Memorial Community Center with a needed social worker position
- Donating funds for the We Care Weekend Retreat for Cancer Patients, a retreat that brings families coping with cancer together to relax, have fun and find support
- Awarded eight scholarships to deserving college students meeting established criteria
- Joined other CHI hospitals in donating funds to more than 600 CHI employees affected by the devastation of Hurricane Harvey
- Sponsored the OutRun Melanoma 5K Race & Walk with funds raised going directly to CHI Memorial’s prevention, awareness and research of melanoma

Tribute Giving
Honour a loved one with a tribute gift to CHI Memorial Foundation on holidays, anniversaries, birthdays and other special occasions. Memorial tribute gifts are also a meaningful way to honor the life and spirit of a special person.

Host an Event
Events are a great way for small business owners and community leaders to bring fun and unique activities to their community with proceeds benefiting CHI Memorial Foundation. All events benefiting CHI Memorial must be approved in advance by calling (423) 495-4141.

Corporate Sponsorships
A corporate sponsorship to one of the Foundation’s annual events gives your business recognition as an organization that gives back to the community. Your company’s name and logo can appear on invitations and programs, and in newspaper and magazine pages.

A corporate sponsorship also has a lasting impact on the community by making events such as Pink! successful enough to bring back every year and provide funds for programs and services at CHI Memorial.

Planned Giving
A planned gift to CHI Memorial Foundation is a great way to ensure that your legacy of giving in life continues to impact the next generation of health care recipients.

Become a Friend of Memorial
A Friend of Memorial is an individual who has made an annual gift of $100 or more. Donors receive recognition in the Foundation’s monthly E-news, in the annual report, and on the donor recognition wall.

For more information on ways to give, call (423) 495-4438 or visit www.memorial.org/foundation

The CHI Memorial Foundation was founded 2001, is led by a Board of Directors made up of 30 community leaders and physicians, and has raised almost $50,000,000 in 17 years. 100% of funds stay in the Greater Chattanooga Community.

The mission of the CHI Memorial Foundation is to serve our community by strengthening Memorial’s mission to nurture the healing ministry of the Church. All of our efforts are directed at increasing the resources available to Memorial to provide services to our community.
