Dear Dr. Andrew Laramore:

It is a pleasure to acknowledge formal accreditation of your facility by AABB. Your quality and operational systems have been assessed and determined to meet or exceed the rigorous requirements set by the association. Specifically, accreditation is extended to your facility for the performance of the following activities:

Transfusion Activities

A letter of accreditation and a certificate have been sent under separate cover to the individual designated as your facility's accreditation information contact. We hope you will display this award in a prominent place as evidence of your commitment to attaining the highest standards of quality.

Please extend my most sincere congratulations to your staff and your governing board.

Sincerely,
